**NURSING**  
**Vocational Nursing**  
**Certificate of Completion**

Completion of the curriculum outlined below leads to the Certificate of Completion and is designed to provide the student with the skills and knowledge required to pass the Texas vocational nursing licensing exam.

The Vocational Nursing certificate program is a limited enrollment program, and therefore, only accepts a limited number of students each year. Students must meet the general institutional admission requirements and the specialized acceptance requirements of the Vocational Nursing Program. Students should consult the Specialized Acceptance- Vocational Nursing section of the catalog and with program faculty for additional information.
