

## Library Resource Guides

The following are instructions for navigating through the Library's Online Catalog, TexShare Databases, SIRS Databases, and more. TexShare and SIRS contains many different databases within one. The guides below will go over one or two searches from each main database. Databases are for Clarendon College Students and Employees only. For off-campus access you will find passwords in your Student Portal. If you have in questions, please email [pamela.reed@clarendoncollege.edu](mailto:pamela.reed@clarendoncollege.edu).
