-----------	------------	-------------------

COURSES TAUGHT SINCE FALL 2008

Weight Lifting, Physical Fitness, Men's Varsity Baseball, Introduction to Physical Fitness and Sport, Sports Officiating, Care and Prevention of Athletic Injuries

PROFESSIONAL GOAL STATEMENT

Throughout my educational career, my major interest and emphasis has been and continues to be Health and Physical Education in the Division of Science and Health and the Varsity Baseball Program. This involves encouraging student athletes to have a strong academic background while effectively managing their extracurricular activities. Students should maintain a balance in their pursuit of academics and athletics to graduate and become prepared for transferring to a four-year university.
