Hedley, Texas, 79237

Telephone: (806)-274-8617

Email: Christy.cox@clarendoncollege.edu

Experience:

- Aug 09 – Present **Clarendon College**, Clarendon, TX.
Developmental Math Instructor
I teach Developmental math I, II, and III to college students to prepare them for college Algebra. I set the curriculum, make the homework, and make up the tests. The curriculum included basic math, geometry, measurements, and intro to Algebra.
- Aug. 06 –May 09 **Texhoma ISD**, Texhoma, OK.
Director of Special Education
I was in charge of all special ed. paperwork, from the initial Evaluation through the IEP annual reviews, & the State Testing for all special ed. & 504 qualified students. I also taught resource classes, & co-taught inclusion in Reading, Math, English, History, & Science.
- Aug. 04 - May06 **McLean ISD**, McLean, TX.
Director of Special Education
I handled all the special ed. paperwork, from the initial Evaluation through the IEP annual reviews, & the State Testing for all special ed. & 504 qualified students. I also taught resource classes in Reading, Math , English, History, & Science.

Education:

- Aug. 02- Aug 04 **West Texas A&M University** Canyon, Texas
Bachelor Degree in Special Education
- Aug. 00- May 02 **Clarendon College**, Clarendon, Texas
Associate in Science/Mathematics
- Aug. 92- May 93 **Amarillo College**, Amarillo, Texas
none
- Aug. 88- May 92 **Tascosa High School**, Amarillo, Texas
High School Diploma

Skills:

This is my second year to teach at the college. I have taught all three Developmental Math classes. I worked as a special education teacher at Texhoma, OK from August 2006 to 2009; before then, I worked at McLean, TX from August 2004 to May of 2006. I taught K-12th students with special needs. I am committed to Inclusion, and have worked with mainstream and self-contained students. I have worked with students with Autism, including Asperger Syndrome, I.D., Emotional Disturbances, as well as Specific Learning Disabilities, ADHD & Dyslexia.
