Professional Goals

I plan to expand my learning skills through continuing education, improving my capabilities as an LVN through work experience and to further develop my leadership abilities in a positive way.

Education

Vocational Nursing School Graduate - December 8, 2006
Activity Director Certification in 1997
CNA Certification in 1990
Clarendon High and Elementary Schools
GED in 1975

Relevant Experience

Worked in various Nursing Homes as a Charge Nurse. Provided care to residents in long term care by giving wound care, and treatments. Helping residents to live the fullest life possible under their limitations.

Strengths

I enjoy working with the public. I have a caring spirit and want to help people in having a good quality of life. I work hard at any job I am assigned to do and look for opportunities to expand my knowledge and skills.
