

# CLARENDON COLLEGE

## Biology Department

### Summer I 2011

**Course:** Human Anatomy & Physiology, BIOL 2401, is a 4 credit hour course.

**Instructors:** Larry M. Wiginton, M.S.

**Scope:** An introduction to basic biological principles applied to the human. Detailed studies of the human body plan, cells, tissues, and of the integumentary, skeletal, muscular, nervous, and endocrine systems.

**Text:** Human Anatomy and Physiology: *fifth edition* by Elaine N. Marieb

**Attendance:** Clarendon College believes strongly that the greatest single predictor of student success is attendance. Class attendance is the responsibility of the student. A student which has 2 unexcused absences will be, upon the discretion of the instructor, dropped from the class with an F. If an absence is unavoidable notify the instructor as soon as possible.

**Tests:** Several exams, each covering the material presented since the previous exam, will be given throughout the semester. The last exam will be given during finals week. Each test will cover approximately one chapter from the text. Each of the tests will consist of approximately 25 questions comprising material from both the text and lecture. Each test will consist of multiple choice, true-false, definition, fill-in-the-blank and essay questions. Cheating on tests will not be tolerated. Anyone caught cheating will be given a zero on the test. Makeup tests are scheduled by the instructor and must be completed within 1 week.

**Grading:** Grades will be calculated based on: lecture exams - 75% and labs - 25%  
A -- 88-100 ; B -- 75-87; C -- 60-74; D -- 50-59; F -- below 50

**Office:** Room 210 of classroom center  
Office phone: 874-3571 ext. 246 Home phone: 259-3837  
e-mail: [larry.wiginton@clarendoncollege.edu](mailto:larry.wiginton@clarendoncollege.edu)

**Americans with Disabilities Act:** The instructor, upon request, is committed to rendering appropriate assistance to any student with a disability.

**Class Contract:** Please sign and return.
