

Accommodations Procedure

In order for a student to receive special accommodations for a disability(ies) at Clarendon College, the following must be followed:

1. The student must complete an ***Accommodation Request Form*** and turn it into the Dean of Students Office.
2. The student must also submit the proper documentation supporting the request for accommodations to the Dean of Students Office along with the ***Accommodation Request Form***
3. The Dean of Students will review the student's ***Accommodation Request Form***.
4. If the accommodations are approved, the student will be given a Clarendon College accommodation form listing the approved accommodations for each of his or her instructors.
5. The student **will be responsible** for giving the form to each of his or her instructors.
