

# COSMETOLOGY

## Certificate of Completion

The Cosmetology Department offers students opportunities to prepare for an exciting and challenging career in the professional beauty service industry. The department provides specialty courses in manicuring and esthetician as well as nail technician, and certificates. Through clinical settings, students obtain the skills needed to shampoo, cut, and style hair, as well as skills needed to provide chemical services, facial and scalp treatments, manicures and pedicures. After students complete the program and required clock hours, they are eligible to take the Texas Department of Licensing and Regulation licensing examinations.

Graduates from the program have many career opportunities, including owning their own salons, entering the fashion world as an expert makeup or stylist artist, becoming a beauty consultant, or traveling as a stylist for a cruise ship line.
