This site contains links to other sites. Clarendon College ([www.clarendoncollege.edu](http://www.clarendoncollege.edu)) is not responsible for privacy practices or the content of Websites outside of Clarendon College's control.

We may use your IP address to help diagnose problems with our web server and to administer our Web site. Our site uses forms for students, faculty, staff, and visitors to request information, products, and services. We collect contact information (like email addresses) and unique identifiers (like social security numbers) for college business, such as college registration and/or catalogs sent to potential students.

We use cookies to collect information for collective analytics or tracking student progression within our learning management system. Individual data is not harvested. (Note: A cookie file contains unique information a website can use to track such things as passwords, lists of pages you've visited, and the date when you last looked at a specific page or to identify your session at a particular website.)

Please send us an electronic mail message with a question or comment that contains personally identifying information or fill out a form that e-mails us this information. We will only use the personally identifiable information to respond to your request and analyze trends. We may redirect your message to another government agency or person in a better position to answer your question.

For site management functions, information is collected for analysis and statistical purposes. This information is not reported or used in any manner that would reveal personally identifiable information and will not be released to any outside parties unless legally required to do so in connection with law enforcement investigations or other legal proceedings.

**Public Forums**

This site makes chat rooms, forums, message boards, and/or news groups available. Please remember that any information disclosed in these areas becomes public, and you should exercise caution when disclosing your personal information.

**For Additional Information**

Additional information regarding privacy and security policies is provided in the Privacy and Security Policy Guidelines at <http://www.dir.state.tx.us/standards/srrpub11-privacy-policy.htm>. The U.S. Federal Trade Commission also provides information for educating consumers and businesses about the importance of personal information privacy at <http://www.ftc.gov/privacy/>.
