## Comprehensive Standard 3.5.1 <br> College-Level General Education Competencies

## Name of Institution: Clarendon College

## Date Form Completed: February 23, 2015

## Location: Entire Institution

## Instructions:

If your institution offers instruction for the general education competencies within a degree program at more than one location, please complete a template that represents a summary for the entire institution including all of its locations as well as a separate template for each location.

| Column One: | Identify each college-level general education competency. <br> Indicate which courses or components of the educational programs provide students with <br> opportunities to acquire the college-level competency. |
| :--- | :--- |
| Column Three: Describe the means by which you assess the extent to which the students have achieved the |  |
| college-level competency. |  |

GENERAL EDUCATION COMPETENCIES: Communication

## Comprehensive Standard 3.5.1 <br> College-Level General Education Competencies

## Name of Institution: Clarendon College

## Date Form Completed: February 23, 2015

## Location: Clarendon Campus, Clarendon, Texas

## Instructions:

If your institution offers instruction for the general education competencies within a degree program at more than one location, please complete a template that represents a summary for the entire institution including all of its locations as well as a separate template for each location.

| Column One: | Identify each college-level general education competency. <br> Indicate which courses or components of the educational programs provide students with <br> opportunities to acquire the college-level competency. |
| :--- | :--- |
| Column Three: Describe the means by which you assess the extent to which the students have achieved the |  |
| college-level competency. |  |

## Comprehensive Standard 3.5.1 <br> College-Level General Education Competencies

## Name of Institution: Clarendon College

## Date Form Completed: February 23, 2015

## Location: Pampa Center, Pampa, Texas

## Instructions:

If your institution offers instruction for the general education competencies within a degree program at more than one location, please complete a template that represents a summary for the entire institution including all of its locations as well as a separate template for each location.

| Column One: | Identify each college-level general education competency. <br> Indicate which courses or components of the educational programs provide students with <br> opportunities to acquire the college-level competency. |
| :--- | :--- |
| Column Three: Describe the means by which you assess the extent to which the students have achieved the |  |
| college-level competency. |  |

## Comprehensive Standard 3.5.1 <br> College-Level General Education Competencies

## Name of Institution: Clarendon College

## Date Form Completed: February 23, 2015

## Location: Childress Center, Childress, Texas

## Instructions:

If your institution offers instruction for the general education competencies within a degree program at more than one location, please complete a template that represents a summary for the entire institution including all of its locations as well as a separate template for each location.

| Column One: | Identify each college-level general education competency. <br> Column Two: |
| :--- | :--- |
| Indicate which courses or components of the educational programs provide students with <br> opportunities to acquire the college-level competency. |  |
| Column Three: Describe the means by which you assess the extent to which the students have achieved the |  |
| college-level competency. |  |

## Comprehensive Standard 3.5.1 <br> College-Level General Education Competencies

## Name of Institution: Clarendon College

## Date Form Completed: February 23, 2015

## Location: Online

## Instructions:

If your institution offers instruction for the general education competencies within a degree program at more than one location, please complete a template that represents a summary for the entire institution including all of its locations as well as a separate template for each location.

| Column One: | Identify each college-level general education competency. <br> Column Two: |
| :--- | :--- |
| Indicate which courses or components of the educational programs provide students with |  |
| opportunities to acquire the college-level competency. |  |
