

Room & Board

Clarendon College operates five air-conditioned residence halls. Knorpp Hall is designated for women. Vaughan and Phelan Halls are designated for men. Due to popularity and uniqueness of Regents and Southwest Halls, the Vice President of Student Affairs may establish special criteria for students who want to live in these halls.

Clarendon College's meal plan includes 19 meals per week: three meals a day, Monday through Friday, and two meals each on Saturday and Sunday. All students living in Clarendon College residence halls are required to participate in the meal plan.
