## **Checking Your Grades:**

Go to the left hand side of the course screen and select Grades from the Administration block. Scroll down to the grade you wish to view. At the VERY bottom of the screen you will also find the current course average. Do not assume the current course average is correct. For instance, if you did not complete a graded activity, the course average will not calculate correctly until I replace those uncompleted activities with zeroes.

## **Class Participation and Attendance:**

As stated earlier, class participation and attendance is required and expected. It is vital for the education of the student as well as the other students for each student to participate in class discussions and to be involved in the learning process.

## **Online Attendance Policy**

Weekly attendance is mandatory in all online courses. Specific activities will be identified each week or during each chapter that must be completed in order for students to be considered "in attendance." Failure to complete these assignments can result in forfeiture of Financial aid and failure of the class.

**My Policy:** For this course, I will submit an attendance report each Thursday morning. Students who are following the online attendance policy are marked "present." This status can be checked in your student portal. Students can be placed on academic probation or lose financial aid for chronic non-attendance.

## **Required Enrollment Verification Activity:**

Students who fail to complete the Syllabus Agreement & Enrollment Verification Activity by the official census date may not be able to continue in the course. This could result in an F for the course and forfeiture of Financial Aid. The census date for this term can be found on the Academic Calendar located at the Inside CC link on Clarendon College's home page.

**Withdrawal:** If you decide that you are unable to complete this course or that it will be impossible to complete the course with a passing grade, you may drop the course and receive a "W" on our transcript instead. Withdrawal from a course is a formal procedure that you must initiate. If you do not go through the formal withdrawal procedure, you will receive a grade of "F" on your transcript. A student is permitted to drop a course if he/she obtains an official drop slip from the office and has the instructor sign the slip before the 12<sup>th</sup> class week.
