

MAY 25-27, 2021

BASIC WASTEWATER (0059)

Member - \$300 / Non-Member - \$375

Basic Wastewater Operations is an introductory course in wastewater collection and treatment that includes a brief review of the water cycle. A general description of the responsibilities of wastewater systems personnel is presented with an emphasis on the need for regulations wastewater discharge to protect receiving streams and public health, safety and welfare. Also included are Texas' rules and regulations for certification of wastewater system operators.

Major topics include the general goals of wastewater collection and treatment and the objective of state and federal regulations and requirements. Basic wastewater chemistry and math skills are developed and applied to chemical dosage and other operational problems.

**IMPORTANT: Pre-registration is encouraged.
Training class may be canceled due to low enrollment.**

Payment for this course can be made to TRWA with registration or on the first day of class.

Failure to make payment will cause a delay in CEU submittal to TCEQ

Basic Wastewater Training Course Registration Form Clarendon – May 25-27, 2021

Acknowledgement of Notice of Potential Ineligibility for License

By signing this form, I acknowledge that Texas Rural Water Association notified me of the following:

- the potential ineligibility of an individual who has been convicted of an offense to be issued an occupational license by the Texas Commission on Environmental Quality (TCEQ) upon completion of the educational program;
- the current TCEQ Criminal Conviction Guidelines for Occupational Licensing, which describes the process by which the TCEQ's Executive Director determines whether a criminal conviction:
 - renders a prospective applicant an unsuitable candidate for an occupational license;
 - warrants the denial of a renewal application for an existing license; or
 - warrants revocation or suspension of a license previously granted.
- the right to request a criminal history evaluation from the TCEQ under Texas Occupations Code Section 53.102; and
- that the TCEQ may consider an individual to have been convicted of an offense for the purpose of denying, suspending or revoking a license under circumstances described in Title 30 Texas Administrative Code Section 30.33.
