School Course Policies: Academic Integrity Policy and Classroom Ethics

Clarendon College is committed to a philosophy of honesty and academic integrity. It is the responsibility of all members of the Clarendon College community to maintain academic integrity at Clarendon College by refusing to participate in or tolerate academic dishonesty. Any act of academic dishonesty will be regarded by the faculty and administration as a serious offense.

Academic dishonesty violations include, but are not limited to: (1) obtaining an examination, classroom activity, or laboratory exercise by stealing or collusion; (2) discovering the content of an examination, classroom activity, laboratory exercise, or homework assignment before it is given; (3) observing the work of another during an examination or providing answers to another during the course of an examination; (4) using an unauthorized source of information during an examination, classroom activity, laboratory exercise, or homework assignment; (5) entering an office, classroom, laboratory, or building to obtain unfair advantage; (6) taking an examination for another person; (7)

completing a classroom activity, laboratory exercise, homework assignment, or research paper for another person; (8) altering grade records; (9) using any unauthorized form of an electronic communication device during an examination, classroom activity, or laboratory exercise; and/or, (10) plagiarism. **(Plagiarism is defined as the using, stating, offering, or reporting as one's own, an idea, expression, or production of another person's work without proper credit. This includes, but is not limited to, turning in a paper purchased or acquired from any source, written by someone other than the student claiming credit, or stolen from another student.)** (Clarendon College Student Handbook 2021-2022--homepage. Click on "Inside CC" – under "Students" – click on "Forms and Resources" – then click on "2021-2022 Student Handbook" – Find the "Student Code of Conduct" section and then the "Student Academic Integrity" section – P. 43.

PLAGIARISM: Read the following explanations carefully and be sure that you understand them.

1. **AI and Internet use:** Copying and pasting from the Internet and/or ChatGPT or any AI program is plagiarism. All work must have an appropriate and accurate citation, this includes the use of any form of AI.
2. **Purchasing papers:** The purchase of a paper or any form of assignment is plagiarism.
3. **Word-for-word plagiarism:** The student quotes his or her source without using quotation marks. Even if the student cites the source, he or she is still plagiarizing because proper quotation procedures were not used.
4. **Paraphrased plagiarism:** The student uses a source and with the exception of changing a few words or phrases essentially quotes the original. Even if the source is properly cited, the writing is still plagiarized because the student has used the author's style, vocabulary, and content and claimed it as his or her own.
5. **Improper citations:** If a student uses someone's information other than his or her own, the source of the material must be properly cited. Failure to do so is plagiarism.
6. **Improper use of ideas:** Ideas are as equally protected as words. If the student uses someone's ideas, but expresses them in his or her words, the student plagiarizes if he or she does not cite the source of the idea.
7. **Student sharing:** While students are certainly free to work together and study together, an assignment that calls for individual work must reflect the student's personal effort. If a student borrows or copies another student's work, that is plagiarism. If a student has another student write a paper, that is plagiarism. If two students collaborate on an individual assignment and turn in the same work, that is plagiarism. Plagiarism is a serious academic offense. It involves legal issues about improper use of materials that do not belong to the student. Plagiarism is unethical. A student must do his or her own work; otherwise, the learning process is compromised. Plagiarism is unfair to fellow students who take the time and make the effort to do their own work. **Essentially, plagiarism is cheating and will not be tolerated. You will receive a zero for any assignment that is plagiarized.**

Students are responsible for reporting known acts of academic dishonesty to a faculty member, the program coordinator, the vice president, and/or dean. Any student with knowledge of a violation who fails to report it shall him/herself be in violation and shall be considered to have committed an act of academic dishonesty.

While academic integrity and honesty are the responsibility of the individual student, each individual faculty member, teaching assistant, and/or laboratory instructor is responsible for classroom management and for maintaining ethical behavior within the classroom and/or laboratory. Faculty who discover or suspect a violation should discuss the matter with the suspected violator(s) and attempt to resolve the case at that point. In cases of convincing evidence, the faculty member should take appropriate action. The faculty member and student should complete a Counseling Sheet regarding the violation. (The Counseling Sheet should contain at a minimum the date and time of the violation, the course, the instructor's name, the student's name, an explanation of the infraction or facts of the case, and the resolution to the incident.) This form should be signed by the student, faculty member, program coordinator, and the Vice President of Academic Affairs. The Vice President of Academic Affairs will maintain a file on all violations. If a faculty member prefers to report the case directly to Vice President of Academic Affairs, it remains his/her prerogative to do so. Additionally, if the faculty member and the accused student cannot reach a resolution or if the faculty member believes that suspension from school is the only fair sanction, the case should immediately be reported, by the faculty member, in writing, to the Vice President of Academic Affairs. If the Vice President of Academic Affairs observes any trends in student behavior which involve more than one violation or act of academic dishonesty, the Vice President of Academic Affairs is responsible for notifying all faculty members involved, for contacting the student(s) involved, and after consultation with the faculty member(s) involved for taking the appropriate action. The Vice President of Academic Affairs is responsible for the timely notification (normally within two weeks) to all parties of an action taken. Students

wishing to appeal a disciplinary decision involving academic integrity or acts of academic dishonesty may do so through the Student Appeals and Grievance Procedure.

Grievance/Appeals: If you have a dispute concerning your grade or policies in this class, it is the student's responsibility to contact the instructor to discuss the matter. Should things remain unresolved, please follow the procedures described in the Clarendon College Student Handbook or College Policy Manual.

Course Withdrawal: Students desiring to make schedule changes after their initial registration each semester must do so during the designated "Drop and Add" period as scheduled in the College Catalog. Students will be required to pay tuition and fees applicable to any class(es) added to their schedule. Official withdrawal from a course is initiated in the Office of the Registrar. However, each student should consult with his/her academic advisor or the Associate Dean of Enrollment before officially withdrawing from a course. A student who stops attending a class without officially dropping it may receive a grade of "F" for that class. According to Texas state law a student is only allowed to drop the same class twice before he/she will be charged triple the tuition amount for taking the class a third time or more. Furthermore, beginning with the Fall 2007 semester, students in Texas may only drop a total of 6 courses throughout their entire undergraduate career. After the 6th *dropped* class, he/she will no longer be able to withdraw from any classes.

Accommodation statement: Requirements of the Americans with Disabilities Act:

In accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, any student who feels that he or she may need any special assistance or accommodation because of an impairment or disabling condition should contact the Associate Dean of Enrollment Services at 806-874-4837 / janean.reish@clarendoncollege.edu or visit the Clarendon campus at Clarendon College. It is the policy of Clarendon College to provide reasonable accommodation as required to afford equal educational opportunity. It is the student's responsibility to contact the Associate Dean of Enrollment Services.

Nondiscrimination Policy: Clarendon College, in accordance with applicable federal and state law, prohibits discrimination, including harassment, on the basis of race, color, national or ethnic origin, religion, sex, disability, age, sexual orientation, or veteran status. It is the policy of Clarendon College not to discriminate based on gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation. Harassment of a student in class, i.e., a pattern of behavior directed against a particular student with the intent of humiliating or intimidating that student will not be tolerated. The mere expression of one's ideas is not harassment and is fully protected by academic freedom, but personal harassment of individual students is not permitted.

Student Rights and Responsibilities: Student Rights and Responsibilities are listed on the College website at: [www.clarendoncollege.edu/Resources/Legal/24-25/FLA\(LEGAL\).pdf](http://www.clarendoncollege.edu/Resources/Legal/24-25/FLA(LEGAL).pdf)

Final Exams: The schedule of final exams times is published at the beginning of the semester. You can find the schedule for final exams at: <https://www.clarendoncollege.edu/insideCC>. Do not make plans to leave school before your scheduled final exam. Faculty members **cannot** on their own authorize a student to take a final exam early. In exceptional circumstances if a student needs to take a final exam early, he/she may request early final exams by filling out the form at: <https://www.clarendoncollege.edu/insideCC>.

Students are responsible for ensuring that their work is consistent with Clarendon College's expectations about academic. This course uses Turn-it-in to ensure academic integrity. Turnitin will display the percentage of work that is used in another text, whether that be online text, a source (such as your textbook), a paper submitted to another college, or any string of words that have been used in another context.

Turnitin uses an AI detection program and will show the percentage of possible AI-generated text. This report is seen only by the instructor. Any amount of AI generated text can be considered plagiarism and will receive a zero.

Do Not use Grammarly for assignments in this course as Turnitin will flag as AI generated text. Students are not allowed to use advanced automated tools (artificial intelligence of machine learning tools such as ChatGPT or Dall-E 2) on

assignments in this course. Each student is expected to complete each assignment without substantive assistance from others, including automated tools.

All assignments can be found on the CC Student Portal Open LMS. Save your assignment to your computer or flash drive as either an .rtf file or doc.x, and then upload to the Open LMS.
